Life Options

Pick up a bottle in the foyer and return to church by February 9th.

Life Options is a Christian based free service provided to area women. By filling a baby bottle you can help save the life of a baby.

Life Options is totally supported by your donations. Your change can help women make life changing decisions. FREE services such as pregnancy testing, sonograms, diapers, wipes, education etc. are provided through life options in Trenton and soon to open in Bethany.

Love Packages

Love Packages filled 110 containers for the year 2024. This breaks our all-time record of material shipped in one year. We set this goal at the beginning of 2024, and though many difficulties, a lot of prayer and a lot of hard work, we did it. Thank you to all who have helped us, to our volunteers, prayer partners, supporters, and of course my very hard working staff in both of our warehouses.

This is no small accomplishment, 110 container loads equal 2,200 tons of materials.

Each of these containers contains at least 500,000 pieces of literature. The people who do the statistics tell us that each piece we put on the field in a 3rd world country will be read by at least 20 different people.

So here is the math 500,000 times 110 is 55 million pieces of literature. Each of these 55 million will be read by 20 people before it's all done. That is 1.1 billion reads. Only God knows what will happen because of all this material.
