

Dear Church Family,

Can you believe another year is half over? We say it often but time really does seem to fly by! Before we know it school will be in session, our kids will be going off to college and once again we will adjust to the changes that come along. Change is often difficult but it is something that every one of us face. Have you ever said, "I wish things could stay this way forever or I wish I could go back and do that again"? This is something that we can experience! In Lamentations 3:22-23 we read, "Because of the Lord's great love, we are not consumed, for His compassions never fail. They are new every morning, great is your faithfulness." God's love for us will never change and we can start over every morning. Each day is an opportunity to surrender more to Jesus and walk closer with Him than the day before! So next time you say, "I wish I could go back and do that again," just know that today is a new day and God's love and compassion is right there in abundance for you. See you at church!

Because We Care

Church Family, we have done it again with your selfless giving! Our community is so blessed to have such generous and faithful givers at FBC Albany.

We called and you answered, we asked and you gave! Your gifts to the Because We Care Offering, in such a short amount of time, exceeded the \$1,000 goal with a total received to date \$2,761.00.

Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you. Luke 6:38

God Bless You!
